AVAILABLE SIZES

FEATURES

- 4PRO back-of-hand protection designed to not stiffen or crack in cold temperatures
- High tensile-strength goatskin provides outstanding abrasion resistance
- Treated with Oilbloc™ for oil and water repellency
- Kevlar® and composite filament fiber lining provides excellent cut protection
- Waterproof breathable membrane keeps water out, while allowing your hands to breathe comfortably
- Thinsulate™ lining provides exceptional warmth while maintaining mobility
- Additional insulation in the fingertips prevents heat loss when handling cold parts or tools
- Padded palm inserts provide minor vibration dampening

APPLICATIONS

Oil & Gas
Utilities
Construction
Mining
