13X

## AVAILABLE SIZES

## FEATURES

- Unique combination of mechanics-style backs with abrasion-resistant palms makes this style ideal for the oil patch
- Specially placed thermoplastic rubber pads at back of hand protect against knocks without creating stiffness
- Neoprene cuffs allow for ease of donning plus extra cushioning at the wrists
- Waterproof Enprotex® lining for stay-dry comfort
- Fully fleece-lined for additional warmth

## TESTIMONIAL

STÉPHANE C.  
(DIRECTOR, CULTURAL AND ATHLETIC  
SERVICES – CITY OF ACTON VALE)

Thanks to the expertise of Superior Glove representatives, we were able to offer our workers gloves and sleeves that met our expectations.
