Dexterity[®]

Ambidextrous Cut-Resistant Glove with Nitrile Fingertips

#SKFGNFT

This cut-resistant 13-gauge knit is highly dexterous, yet provides stellar cut protection. Composite blend of Kevlar[®] wrapped around composite filament fiber provides ASTM level-4 cut protection, withstanding 1650 grams of cut force during testing.

This glove features a unique grip pattern only in the areas where you need it. The glove is ambidextrous and offers excellent flexibility and dexterity. Fingertips are nitrile coated, leaving the rest of the hand free for optimal flexibility.
