Sure Knit™

7 Gauge Extra-Heavy Cotton/Poly String
Knit Glove

#SCP

SureKnit™ 7-gauge string knit gloves are great for general-purpose applications, like parts handling, general maintenance and food processing. These ones are extra heavy, weighing 63 grams per pair, meaning they stand up well in more rugged applications. Unbleached cotton/polyester, they feature a loose-fitting cuff for easy donning and are available in five sizes.

To limit the risk of allergic reactions, all of our Canadian-made gloves are now crafted with latex-free materials.

CFIA Approved for food handling.
