CONTENDER™

CUT-RESISTANT ARAMID SLEEVES

AVAILABLE SIZES

FEATURES

- Aramid blended fiber for excellent cut resistance
- Tapered version is combined with our STAYz-UP™ technology -- an elastic armband with polymer dots, eliminating any sliding or slipping of the sleeves
- These Contender™ sleeves are approved for 4.5 seconds of incidental heat contact at 600°F
- Fully washable (no bleach)

APPLICATIONS

- Metal Handling
- Automotive
- Metal Fabrication
- Welding

STAYZ-UP ELASTIC

No more slipping! Sleeves with arm openings featuring "STAYz-Up" technology hold up—comfortably gripping onto underlying fabric or skin to ensure sleeves stay in place, and keep you protected no matter what. Unlike other products on the market, we won't let you down.

DOTTED GRIP BAND

BETTER FIT – TAPERED SLEEVES

For a more natural fit, sleeves come in a tapered version; these provide extra comfort and staying power. Tapered sleeves are designed to fit the contours of your arm and actually come in sizes. Won't lose shape due to stretching.
