Open-Finger Framers Glove

#MXFE

These Clutch Gear® gloves find the perfect balance between protection and ease of motion. These gloves feature a PVC diamond palm patch with Poron® cushioning to reduce vibration from pneumatic tools.

The three-open finger styling of these Clutch Gear® gloves lets the thumb, index and middle finger be unencumbered for ease of performance in construction and framing jobs.

Stretchable Spandex back provide extra dexterity and elastic cuffs with adjustable hook and loop closures ensure the glove will be snug without being too tight.

The final perk? An ID label to personalize your gloves and prevent loss.
